

GOVERNMENT POLYTECHNIC COLLEGE FOR GIRLS, JALANDHAR

Architectural Assistantship Department

Pooja Thareja
Asst. Architect, MES

I must say that what I am worth of today, Architectural Assistantship Department, G.P.C.G. Jalandhar played crucial role so far. To achieve success and get independent financially was my dream since I get into senses. Somehow, I landed in Architectural Assistantship department where 3 years of study covering detailed construction ongoing changes Practical knowledge helped me to land into a successful career I was looking for. Today I am working as Assistant Architect in Military Engineering Services department, Indian Army. I am thankful to the all the faculty especially Sh. Dinesh Bhagat sir, whose continuous motivation helped in shaping my career to the fullest.

Also I extend my gratitude to our placement sell.

GOVERNMENT POLYTECHNIC COLLEGE FOR GIRLS, JALANDHAR

Architectural Assistantship Department

Sushma Duggal
Asst. Town Planner, MCJ

The positive relationships between teachers and students are a huge part of the person's success. These lines remind me of the thought provoking, knowledgeable years of my student's life at Department of Architectural Assistantship, G.P.C.G. Jalandhar. The college ignited the spark and helped me in carving my successful professional career. Today I am working as Assistant Town Planner in Department of Local Bodies, Punjab. Three years of diploma studies helped me tone to achieve my dream to serve people through Govt. Department. I will strongly recommend future aspirants to give their fullest in field and be part of this prestigious Institution.
