It is an honour to be associated with GPCG, Jalandhar as it has not only helped me learn technology but also helped upgrade my personality. The faculty is so supportive and motivating. They carved me to a better version of myself which made me the best fit for renowned organizations like CSC and Tech Mahindra. I surely appreciate the staff for providing ample guidance and nutritious environment which enabled me focus and grow towards success. I am extremely grateful for the offerings by this prestigious institute for making me an independent young woman of the nation.

It's a privilege to me to be a part of Government Polytechnic College Jalandhar. Who has give me the opportunity from campus to corporate life. Since my childhood it's was a dream for me to work in corporate life and my college had help me to make my dream come true. After successfully completing my diploma in computer science and engineering in 2021. I got placed in Normet India Pvt Ltd, Jaipur as a Service Engineer with handsome salary package. At this age I am financially independent and could also help my family. I am thankful to the faculty members of my college for motivating me and showing the correct part to achieve my dream. My sincerely gratitude to the GPCG Jalandhar placement cell.
